The Inspector General of Education submitted for sanction with his letter No. 1459/72 of 18th August last a travelling allee† bill on behalf of Narasabhatta Hobli Kanarese School master at Nuggehalli in the Chennarayapatna Taluk, as the Comptroller took objection to pass the same under art 532(c) of the Rs. Perhaps this was inserted on the ground that no occasion for travelling except on transfer would arise or perhaps it was Copied. I do not know if it is worth while pursuing this line of inquiry further. The required alteration may be made & sent this Rule to all Cases.

THE SECRETARY TO THE GOVT. OF MYSORE,

SIR,

With reference to your letter No.5249/P&A554 dated 13th.October 1900 enquiring when and why the order embodied in Clause (c) of Article 532 of the Mysore Service Regulations regarding Travelling Allowance to School Masters was passed, I have the honor to state that no definite information is available in this Office on the point, but the rules contained in the late Chief Commissioner's Notification No.132 dated 26th.November 1881 under which Travelling Allowances were audited before the publication of the Travelling Allowance Code, did not prescribe the rates of Travelling Allowance to School Masters, as there was evidently no occasion for these Officers to travel. However in the same notification, provision was made to the effect that Officers of all grades when entitled to travel at the public expense in joining an appointment, could draw mileage.

The same order appears to have been embodied in Schedule A of the old Travelling Allowance Code upon which the Article 532 Clause(c) of the Mysore Service Regulations has been based. In connection with this subject, I may add that in G.O.No.3481-82/P&A 250 dated 4th.September 1900 scale of Travelling Allowances for Officers of the Scholastic Branch of the Educational Department has been prescribed, and that the Article 532(c) referred to above

Proceedings of the Government of Mysore, General, dated 3rd July 1901.

READ THE FOLLOWING COMMUNICATIONS—

Letter No. 1533—78, dated 15th August 1900, from the Inspector General of Education in Mysore, requesting to be informed if the Pandits of the Shimoga College and some High Schools who attended the Royal marriages at Mysore are entitled to travelling allowances and if so, to instruct the Comptroller to pass their bills.

2. Letter No. 1459—72, dated 13th August 1900, from the same Officer, reporting that on the authority of Article 532 (*c*) of the Mysore Service Regulations the Comptroller objects to pass the travelling allowance bill of Naranabhatta, Assistant Master, Hobli Kanarese School at Nuggehalli in the Channarayapatna taluk, who proceeded in his official capacity to give evidence in the Magistrate's Court at Hassan, on the 29th March 1900, and in the Sub-Division Magistrate's Court at Saklespur on the 18th June 1900; and requesting that the bill be passed and that a general rule entitling schoolmasters to travelling allowances in similar cases be laid down for future guidance.

3. Also subsequent correspondence on the same subject:—

(1) Letter No. 3354—109, dated 10th December 1900, from the Comptroller to the Government of Mysore.

With reference to your letter No. 5249—P. & A. 554, dated 13th October 1900, enquiring when and why the order embodied in clause (*c*) of Article 532 of the Mysore Service Regulations, regarding travelling allowance to schcolmasters, was passed, I have the honor to state that no definite information is available in this office on the point, but the rules contained in the late Chief Commissioner's Notification No. 132, dated 23th November 1880, under which travelling allowances were audited before the publication of the Travelling Allowance Code, did not prescribe the rates of travelling allowance to schoolmasters, as there was evidently no occasion for these officers to travel. However, in the same notification, provision was made to the effect that officers of all grades when entitled to travel at the public expense in joining an appointment, could draw mileage.

The same order appears to have been embodied in Schedule A of the Old Travelling Allowance Code, upon which the Article 532, clause (*c*), of the Mysore Service Regulations has been based. In connection with this subject, I may add that in G. O. No. 3481-82—P. & A. 406, dated 4th September 1900, scale of travelling allowances for officers of the Scholastic Branch of the Educational Department has been prescribed, and that the Article 532 (*c*) referred to above has to be altered with reference thereto.

(2) Docket No. 8828—385, dated 8th April 1901, from the Inspector General of Education in Mysore.

With reference to his docket No. 10270 of the 12th February 1901, has the honor to inform that there are no papers in the records of this office showing the circumstances under which the ruling contained in Article 532 of the Mysore Service Regulations was passed by Government.

No. 131-32—P. & A. 2, DATED BANGALORE, 3RD JULY 1901.

ORDER THEREON—Government are pleased to direct that clause (*c*) of Article 532 of the Mysore Service Regulations be omitted and the succeeding clause (*d*) styled Clause (*c*) and that the following addition be made to the revised scale of travelling allowances for officers of the Scholastic Branch of the Education Department, laid down in Government Order No. 3481-82—P. & A. 406, dated 4th September 1900:—

Class of officers.	Daily allowance.	Mileage.	Railway fare.
Class D on Rs. 30 to 50	$\frac{3}{10}$ths of the pay ...	Annas 4 ...	Double 2nd class.
Other members of the tutorial staff on pay not less than Rs. 30.	Do ...	Do ...	Do.
Ditto (including teachers employed in Government Schools of all kinds) on pay less than Rs. 30.	Do ...	Annas 2 ...	Double 3rd class.

and that the scale thus modified be embodied in the Mysore Service Regulations in the proper place.

2. The claim of the Pandits referred to in the first of the letters read above will be disposed of accordingly.

3. The bill received with the second of the letters read above, in favor of Naranabhatta, will be transmitted to the Comptroller for audit in accordance with the above scale.
